President's Report December, 2003

First, Congratulations to the Chinook penners for a very successful National Finals.

The Chinook directors have met a couple times since the finals so, even though the season is started, the work has begun. The new directors are Linda Langston, Deane Ross, Jim Szuskiel, Mike O'Connor, Kent Hillard, and Hugh McPherson. Nice to have these new faces at the table, working hard for "Joe Penner".

Last year went quite smooth for the Chinook association, so maintaining this high standard will be the main objective for the board. As always, financial concerns require focus but the directors have decided the leave entry fees right where they're at. With the help of Rick Dalton and his new "sponsor magazine", and a new sponsorship arrangement with the CTCPA, we're looking forward to an excellent regional finals and a near-balanced budget.

Most of the show dates have been set for 2004 and it looks like more shows with the Regional Finals moving back into September. The new season will be played a bit different as the CTCPA has changes a couple rules. The trash line has moved a bit closer to the herd and you won't be blown out if your last good cow escapes.

Applications for memberships are coming in now and if your curious about your rating for 2004, get that application in to the CTCPA and the CTPA (separate cheques please) and the ratings will be updated frequently on the web site (www.chinookpenning.com).

See ya in the practice pen!
