### 2010 President's Message

We are now beginning the 2010 penning season after a few months off from a successful 2009 season. I would like to thank all of the board members, volunteers and sponsors who gave their time and money to make our association the best in Canada. I would like to give special thanks to the three departing members of our board (Robbie McKay, Lindy Barron and Sabine van Laere) for their efforts for the last number of years.

The message I want to emphasize this year relates to the apparent decline in attracting new beginner members to our sport and our association. Penning will only flourish if we continue to attract new riders .In order to

attract new people it is very important that these riders feel welcome and competitive at our events. I think it is imperative that the higher rated penners take the time and trouble to assist the beginner penners by giving them encouragement and instruction and including riding on teams with these people in the lower classes. If we fail to recognize this important element in making our association stronger then our sport may continue to decline.

Good luck to all for the 2010 season!!

*Ray Antony*
