CLINICIANS CORNER

THANK YOU to our 2010 Clinicians: Lindy Barron, Dave Fraser, Donna O'Reilly, Anne Thompson and Deb Thompson. If you have a question for one of our clinicians email kendra@platinum.ca

Why should you take up team cattle penning?

I asked some of the folks attending one of my beginning penning clinics why they came to learn team penning. Here are some of the answers.

"It is fun, fun, fun...for both us and our horses, as well as stretching our comfort zones, improving our skills and confidence and feeling connected with other

'horse-minded' people.'

"The speed.... the horsemanship.... the community.... the pure entertainment..... we're hooked and will be attending many more clinics and events."

"Golf, shmolf."

"I really like the people I meet at pennings!"

Anne Thompson

CLINICIANS CORNER

continued from page 1

"I get to play on a team! Adults don't get many chances to play team events, but it is fun to share the excitement of a fast run and the blame if things go sideways!!"

"I get to holler at my wife over the fence, and she can't do a thing about it! I love penning!"

"It's exciting! It is challenging! It's fun! I love penning!"

"I'm living a 25 year old dream! Ever since I was a little girl, I have wanted to play a game on my horse. Now, my kids are grown up and gone, and my time has come. I love penning!"

So there you go. If you have a horse, like good people, like having fun and are open to new challenges, why don't you try penning?

Thinking of getting started! Anne Thompson is teaching another of her great beginner clinics on the weekend of May 15 & 16, 2010
