## “It is the people who make it work”

*By Ray Antony*

**W**e are now beginning the 2018 penning season after a few months off from a successful 2017 season. I would like to thank all of the Board members, volunteers and sponsors who give their time and money to make our association the best in Canada. Board members and volunteers – This is now my second term as President of CTPA and I have noticed that it seems

to be a lot of the same people who provide their time to make our association work. I would encourage all of you to think about offering some of your time, because without the people who volunteer their time this Association would struggle.

Sponsors – these are the people who help to ensure we have good payouts, great year-end prizes and significant added money for our Regional Finals. If you don't have the time to join the board or volunteer maybe you could consider becoming as sponsor. I understand we have a few sponsorship spots available in the 7 class, if you can help out there please contact either Shaylene Hunter, Devin Antony, Larry Cressman or Chris Thompson.

I go to numerous team pennings and hear complaints about teammates, the cattle, the judge, the show operator, the building, the show format, etc.

In my view, the complainers need to be reminded the Association is only as good as the people who give something back.

Join the board or become a sponsor or volunteer your time! Thank you!

Good luck to all for the 2018 season!
